Attention to Mr. Emmett Dages

Chief Operating Officer of Taylor & Francis Group

Emmett.Dages@taylorandfrancis.com

Mr. Dages, you continue, as before, to ignore my appeals to you and thereby inflict additional moral damage on me. I have been waiting for your reply for 14 days already.

At May 9, 2020 I formulated four of my basic claims to Taylor & Francis and also your attitude towards them.

I just asked to confirm that I correctly formulated your position on my claims only! I didn't ask for anything more, no further clarification. And you ignored even such a small request...

Mr. Dages, why do you show such disrespect for me - the author of 6 books published by your publishing house for 15 years?! You probably have too many authors who have published so many books in your publishing house?

I am very surprised by such disrespect from the side of the Taylor & Francis to its authors and the pettiness that your company demonstrates.

Regards,

Dr. Vladimir Gurevich
